

HOW TO CUSTOMIZE YOUR FUNDRAISING PAGE

1. Log into your CrowdChange account [here](#) and click on the "Participant Center" button.

2. Choose to edit either your team page or your personal page.

All of the following steps are applicable to both team pages and personal pages.

3. Click "Page Settings" in the black menu on the left side of the screen.

4. Now you are on the "Edit" screen for your page. You can edit the following:

- Your name - this is the name displayed on your page;
- Your fundraising goal;
- Your page link - by adding a custom link you can access your page easily;
- Your page description;
- Your page image or video.

5. Once you have made all the edits you would like, make sure to click the "Save" button to keep your changes.
