

FUNDRAISING WITH YOUR TEAM

Fundraising with a team can be a fun and collaborative way to reach your financial goals. Check out some of our ideas.

50/50 Raffle

Get some tickets and advertise the sale at your office and with your family and friends. A great way to encourage people to buy more is to make a ticket deal (i.e., 1 ticket for \$3, 3 tickets for \$5, 5 tickets for \$10, etc.)

Sell Baked Goods

Start baking—take orders from friends, family or coworkers. Ask any customers for a small donation in exchange for the baked good.

Silent Auction

Plan a silent auction as a solo event, or add it to an existing fundraising initiative as an additional revenue driver. Reach out to your network to start assembling items.

Fun Event Night

Organize a party night—you can charge a small donation based what you are doing. Host a cooking lesson, games night, trivia game or the all time classic bingo night. You could offer prizes to add some friendly competition.

Exercise Classes

Approach a local gym or fitness studio to donate a class for charity or create your own outside. This could be yoga, spin, pilates, or any other kind of class and advertise that all proceeds will be going to CF Canada.

DIY Workshop:

Organize do-it-yourself (DIY) workshops where team members can teach others a particular skill or craft. Charge a fee for participation and provide materials for an additional cost.

Crowdfunding Campaign:

Launch a crowdfunding campaign online and encourage team members to share it on their social media networks. Offer rewards or acknowledgments for different donation levels to incentivize contributions.
