

# WALKS ACROSS CANADA

Many kids just like you are going to be walking on May 26, all across Canada. How cool would it be to see how many kilometers you would have to walk to get to another Walk in the country?

I'm in Toronto, Ontario!  
Where are you?

- 1) Find the city you are starting from, on the left rows
- 2) Find the city you want to walk to from the top columns list
- 3) Follow the row across and column down to where they meet

**Note:** Kilometers are shown in purple; miles are shown in white
