[Mr. or Mrs. Member of Parliament]

It is with great pleasure that I am appealing to your generosity today by inviting you to consider a [\$500] donation, through the Volunteer Support Program, to support my participation in the Worldwide Trek for Cystic Fibrosis Canada.

Between November 16 - 24, I will be among a group of passionate fundraisers who will gather in Costa Rica to trek over 70 kilometers for Cystic Fibrosis Canada and to raise awareness for the cause. Since 2019, this event has raised a combined total of \$830,000 to support CF Canada's work to improve the lives of every Canadian living with CF.

With your help and my fundraising efforts, Cystic Fibrosis Canada will continue to go the extra mile to improve the quality of life of over 4,300 Canadian children, adolescents, and adults with cystic fibrosis (CF). Donations raised during this walk will help fund cutting-edge research, clinical trials, and personalized care, each of which adds years to life and life to years!

Cystic fibrosis is a genetic disease characterized by a build-up of thick mucus in the lungs and digestive system, which leads to infections, irreversible lung damage and, eventually, respiratory failure. CF is a rare disease with no possibility of remission or cure. It is the most common fatal disease in children and young adults.

I sincerely hope to have the honour of counting you among my valued donors to make the Worldwide Trek a success once again! For more information about this event please visit <https://www.cysticfibrosis.ca/events/worldwide-trek>.

Thank you in advance,
