MAKE CYSTIC FIBROSIS HISTORY

Kin members spend countless hours each year both organizing and participating in fundraising events and activities in support of Cystic Fibrosis Canada. They hold all types of fundraisers from golf tournaments to bake sales to upkeep their commitment to raise awareness and help find a cure or control for cystic fibrosis.

Kin members are dedicated to making cystic fibrosis history by participating in various Cystic Fibrosis Canada national fundraisers including the annual walk.

Cystic Fibrosis Canada is truly inspired by Kin Canada's commitment and looks forward to many more years of success and friendship.

To get involved please contact your nearest Kin Club at www.kincanada.ca or Cystic Fibrosis Canada at www.cysticfibrosis.ca

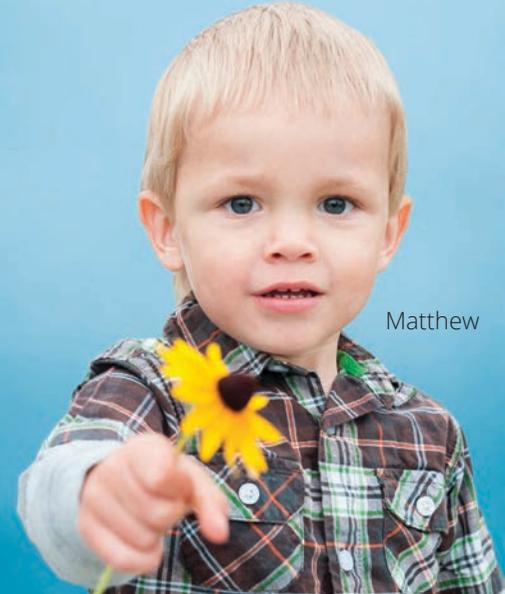

“Thanks to the incredible commitment of Kin Canada, there is more hope than ever before that my son Kaiden will lead a long, healthy and full life. Every dollar raised by Kin is invested in the future of families like mine who are impacted by cystic fibrosis.”

Helen Meinzinger
Kinette since 2010

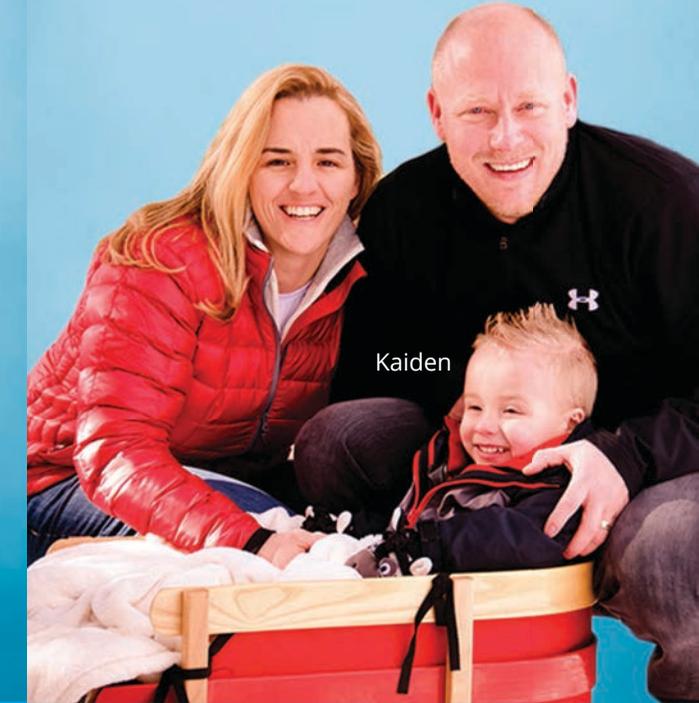

THANK YOU

We are thankful for the generosity of many individual donors, corporate partners, organizations and volunteers who enable Cystic Fibrosis Canada to continue their work to improve the lives of Canadians living with cystic fibrosis.

Together for life®

Cystic fibrosis (CF) is the most common fatal genetic disease affecting Canadian children and young adults. There is no cure.

Cystic fibrosis causes a build-up of thick mucus in the lungs leading to severe respiratory problems. Similarly, mucus and protein build-up in the digestive tract results in extreme difficulty in digesting and absorbing adequate nutrients from food.

The effects of cystic fibrosis are most devastating in the lungs. Ultimately, most CF deaths are due to lung disease.

More than 4,100 Canadian children, adolescents and adults with cystic fibrosis receive specialized care at one of the 42 CF clinics across the country.

Together with Kin Canada, we will make cystic fibrosis history.

Cystic Fibrosis Canada is one of the world's top three charitable organizations committed to finding a cure or control for cystic fibrosis. Since 1960, they have invested more than \$253 million in life-enhancing CF research and care.

The money raised by Kin Canada and other supporters of Cystic Fibrosis Canada benefit Canadians with cystic fibrosis by:

- Supporting promising cystic fibrosis research projects in Canada each year.
- Assisting 42 Canadian CF clinics and five lung transplant centres to provide high-quality care to Canadians with cystic fibrosis.
- Raising awareness and supporting advocacy programs that enhance quality of life.

Every dollar you raise or donate to support Cystic Fibrosis Canada brings us another step closer to finding a cure for this devastating disease that cuts young lives short.

Join the CF fight and pave the way to a cure.

Then and Now

In 1960, most children with cystic fibrosis did not live long enough to attend kindergarten.

Today, because of the support of Kin members and other generous donors, Canadians with cystic fibrosis have one of the highest survival rates in the world.

“My nephew, Jordan, has cystic fibrosis. He is just one of the thousands of reasons Kin Canada volunteers raise funds to fight CF. Our common vision is a world where cystic fibrosis is no longer a progressive life shortening disease. We will do whatever it takes for as long as it takes until a cure or control for CF is found.”

Mike Croghan
Kinsman since 1991

Kin Canada is the nation's largest all-Canadian service organization.

Founded in 1920, its members are active community volunteers. Kinsmen, Kinette and Kin clubs across Canada support Cystic Fibrosis Canada and fund other local projects. The clubs offer their members opportunities to change lives by making a difference in the lives of others.

In 2014, Kin Canada celebrated 50 years in the fight against cystic fibrosis. Since 1964, Kinsmen and Kinettes have raised more than \$46 million in support of the work of Cystic Fibrosis Canada. These dedicated volunteers raise funds through a variety of activities including golf tournaments, lotteries, galas, telethons, bake sales, and road-toll events.

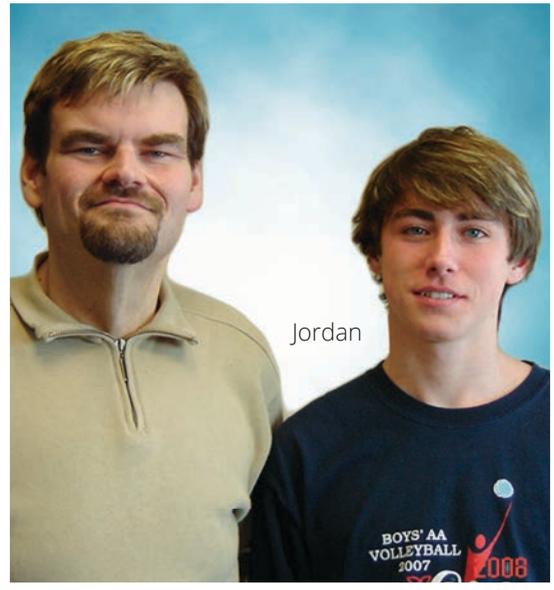

Join the fight against cystic fibrosis with Kin Canada today.
