Print this page and bring it with you to the walk to showcase your incredible talent. Share with everyone who you are walking for today.

A large rectangular sign template with rounded corners, outlined in dark blue. It features four corner fasteners (corner brackets) in a light blue color. The text on the sign is in a bold, outlined font. The text reads: "WALK TO" in small letters above a horizontal line, followed by "MAKE CYSTIC FIBROSIS HISTORY" in large letters above another horizontal line, and "I'M WALKING FOR" in the largest letters below. There is a blank space below the last line of text for a name or message.

COLOUR ME

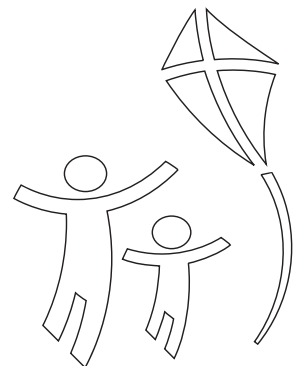

Print this page and color a new creation with all the colors that make you happy.

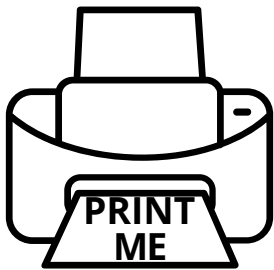

COLOUR ME

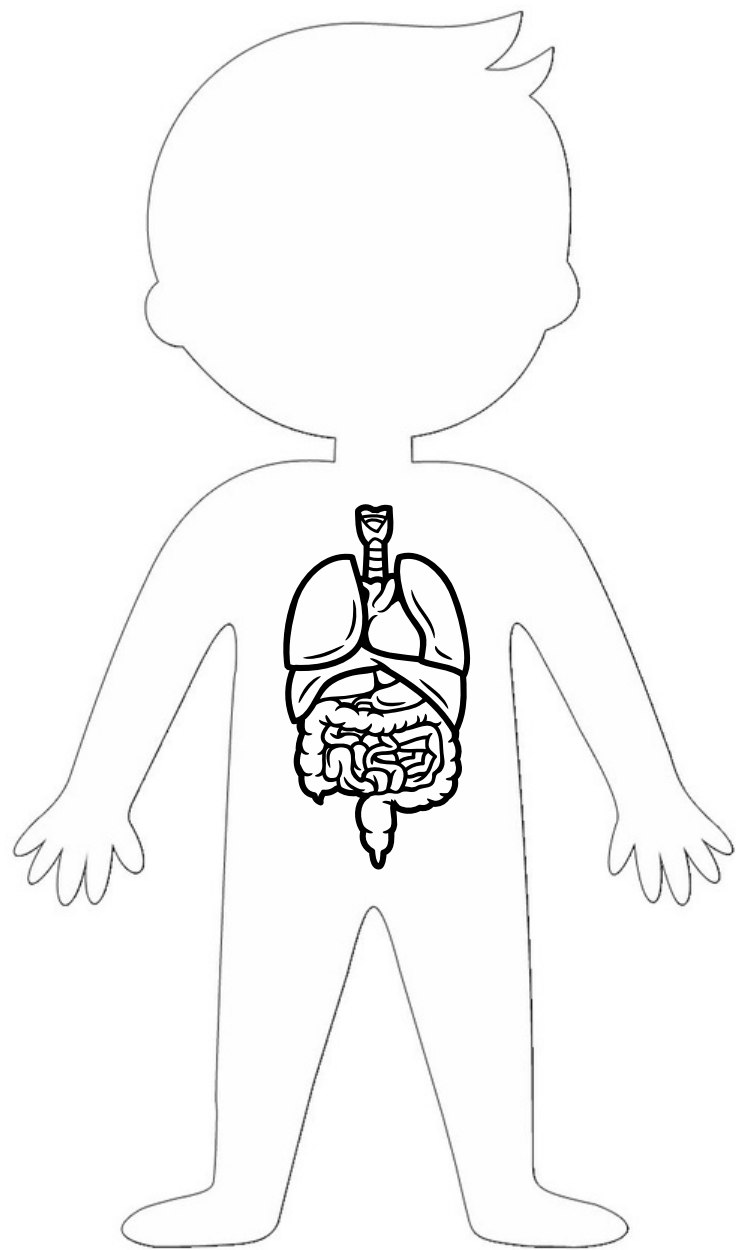

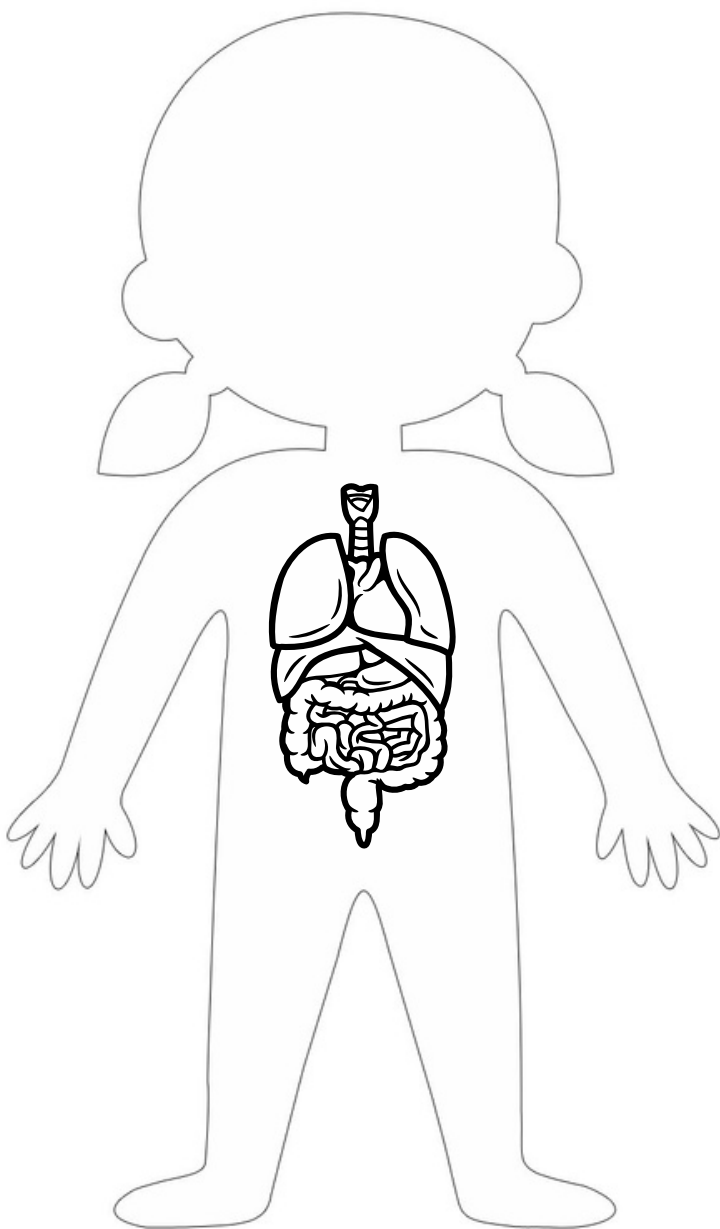

It's the Walk To Make Cystic Fibrosis History's 20th Anniversary this year. Help us design our celebration flag! Send us your creation to be featured in our celebration, to walk@cysticfibrosis.ca.

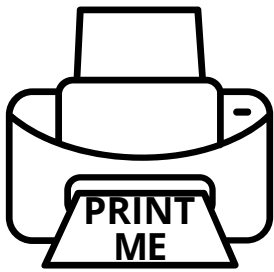

COLOUR ME

Print this page and give it some color. You can learn at the same time what organs are affected by cystic fibrosis. Do you spot the lungs and the digestive system?

COLOUR ME

Print this page and color it. Did you know that when kids say “cystic fibrosis”, sometimes it sounds like “65 roses”? Because of this, we do a lot of events that feature roses.
