Thank you for your interest in joining Team CFCanada at the Scotiabank Toronto Waterfront Marathon! This is a step by step guide to register for the race length of your choice and set up a fundraising page with Cystic Fibrosis Canada!

Step 1:

Click our referral link to begin your registration: <https://raceroster.com/48139?aff=P2U7L>

Please note: Cystic Fibrosis Canada will automatically receive a \$5 donation for all registrations using this link. **Participants must scroll and select 'Register' on their race length through this page for the referral donation to count (do not explore other pages before registration OR re-click this link when you're ready).**

Step 2:

Once you select '**Register**' for your desired race length, a pop up will appear to enter an existing password or create a new password for your Race Roster account.

Description

I am excited to participate in the 2021 Scotiabank Toronto Waterfront Marathon with Team CF Canada through the virtual #RunYourWay4CF challenge! This event raises awareness and critical funds for cystic fibrosis (CF) research, advocacy and healthcare as we continue to #GoFurtherFor CF patients in Canada.

Children, parents and individuals living with cystic fibrosis push through challenges every single day - they go further because they must. It is this strength of spirit that is leading to huge advancements in bringing a life-changing treatment, Trikafta, to Canada.

Together, in 2021, you can help us build on this success and go further by making a donation or joining or team today!

Thank you in advance for your support.

Now you are all set to begin fundraising and training for your race! Thank you for your support!

Sincerely,
