

# SCHOOL FUNDRAISING IDEAS

WALK TO  
**MAKE CYSTIC FIBROSIS HISTORY**

Below are some ideas to help you reach your fundraising goals.

## **BAKE SALE**

Bake sales have long been a staple of many groups fundraising activities, particularly school groups. Ask your classmates/families to bake and donate cakes, cookies, buns, muffins, pies, biscuits, etc and sell them for a donation. Easy to organize, set up and run they are a reliable fundraiser.

## **THEME DAY**

Be it pajamas, superheroes etc. charge students \$5-10-\$2 to participate in the theme day is a great way to promote school spirit and make some easy money for your event.

## **CARWASH**

Ask for donations to clean your teachers' cars or in your neighborhood.

## **SCHOOL DANCE**

Organize a school dance with your school's administration and charge at the door. Half of the proceeds can go to the school to pay for dance fees and the other half can go to your event. You can also sell snacks and beverages.

## **CANTEEN**

Buy wholesale snacks and sell them during your schools lunch break.

## **MONEY SNAKE**

Mark out a long wiggly line 30 feet long, and ask classmates to donate to complete the money snake. When it is finished, you will have raised funds!

## **SCHOOL BAZAAR (GARAGE SALE)**

Ask your teacher if you could hold a bring-and-buy sale for school. Bring in your old toys and books to sell. The school may even have a few things to contribute.

## **CLASSMATE CHALLENGE**

Challenge other classes to raise money for the walk and celebrate the winner!

## **FUNDRAISING THERMOMETER**

Set a fundraising goal and put it at the top of a thermometer poster in a visible location at your school. Donations made to your event are tracked on poster.

## **CARNIVAL GAMES**

Charge admission or pay per play. Run events during your schools spirit week or during lunch.

**Be creative with your fundraising ideas!**
